Rules and Regulations

(Please take time to review all of the rules and regulations)

Introduction

The rules and regulations set forth here have been adopted by the elected (volunteers) Board of Directors (the "Board") of The Turtle Cove Property Owners Association, Inc. (the "Association").

The basic authority in a community association lies with the owners. In order for the association to govern effectively, the owners elect a board of directors to act on their behalf. The governing documents delegate most of the association's decision-making powers to the board. The owners have the voting power to:

- Elect and remove directors
- Amend the governing documents, except board resolutions
- Approve special assessments or capital improvements

It is the role of the Board to set policies, standards, procedures and budgets for the community.

Its areas of responsibility include:

- Care, maintenance and enhancement of the physical property (common areas and facilities)
- Management of community finances and developing reserve funds for future repairs and improvements
- Risk management, including obtaining insurance
- Establishment and enforcement of rules and regulations
- Preservation and promotion of community harmony

Board members have a right to:

- Expect owners to meet their financial obligations to the community
- Expect all residents to know and comply with the rules and regulations
- Respectful and honest treatment from residents
- Conduct meeting in a positive and constructive atmosphere
- Personal privacy at home and during leisure time in the community

The quality of the property owners' lifestyle depends on group effort, cooperation and mutual respect for the rights of others. Courtesy and an awareness of the sensibilities of others are most important. An individual purchasing a lot/home or leasing a lot/home should be aware of the quality of lifestyle that is inherent in the rules and regulations. Residents are expected to exercise appropriate restraint, moderation, tolerance, and consideration in their conduct and living habits as they affect those individuals who live in the community.

The Association's Board is charged with formulating and enforcing the rules and regulations which set the standard and tone for the quality of life at Turtle Cove. The developer originally formulated a set of covenants, conditions and restrictions as set forth in the Declaration of Covenants and Restrictions (the "Declaration") which each owner accepts by purchasing a lot/home. The Board has the authority to make and change rules and regulations provided they are not in conflict with the Declaration.

The Declaration provides effective legal remedies for the Association to use where intercession is necessitated because of residents' complaints and the infractions of the rules and regulations.

Owners: It is your responsibility to know and to abide by the rules and regulations set forth in this document. It is also your responsibility to provide a copy of these rules and regulations to any lessee or renter before the person leases/rents the lot/home. Owners have the responsibility to:

- Read and comply with the governing documents and rules and regulations
- Maintain their property
- Treat association leaders honestly and with respect
- Vote in community elections
- Pay yearly assessments on time
- Pay yearly amenity assessments on time
- Provide current contact information to the management company
- Ensure that those who reside on the property adhere to all rules and regulations

If you are a new owner, the Board welcomes you to the community and encourages your active participation. Please retain this document and refer to it along with the Declaration and Corporate By-Laws. If you have a concern about a rule or regulation, please check with the Turtle Cove Management or the Board of Directors before you purchase the lot/home. We ask that you make certain that Turtle Cove always has your current phone numbers for home and office.

Non-owner resident(s): The home owner should have given you a copy of this document prior to your leasing your home. The Board welcomes you to the community, and we trust that you will find this standard of living most acceptable and enjoyable. As a resident of Turtle Cove, you are governed by these rules and regulations which are enforced by the Board via our appointed CEO/General Manager. Fines to the owner and restrictions of your use of the common properties are means by which the regulations are enforced. Please make certain that Turtle Cove Management has your name, address, and emergency numbers.

Reporting Violations: To report violations of the rules and regulations, do so in writing to Turtle Cove Management either personally, by e-mail (office@turtlecovepoa.com) or US Mail (Turtle Cove Management, 222 Clubhouse Drive, Monticello, GA 31064).

Retention of the Document: Please keep this document where it will be accessible at all times.
